Visitors to aged care

Visitors are still not permitted inside our residential aged care facilities; however, outdoor visits will be permitted for mental health and compassionate reasons. Please phone the facility to discuss your visiting requests and make an appointment. Virtual and window visits are also encouraged.

Stay safe during holidays

If you are moving around regional Victoria during the school holidays, please make sure you stay COVID-safe: socially distance, wear a face mask; use hand sanitiser and wash your hands; and use the QR code to check in everywhere you go.
