

COMMUNITY UPDATE

November 9, 2021

WWW.MTHCS.COM.AU

Welcome back

It has been exciting to see and experience the impact of restrictions easing in our community and services. The return of visitors to our aged care facilities was such an important and welcome step. Thank you to staff and community members who ensured this transition was smooth and safe.

As we begin to resume our activities in the community and adjust to what COVID-normal looks like, please be aware of what you are doing, how you are doing it, and how it might impact on you, your loved ones and our community.

Vax passport help available

Our Ouyen and Murrayville Neighbourhood Houses have been busy helping community members get their vaccination passports ready so they are able to access facilities, activities and shops, and to cross borders.

If you or someone you know is battling with the technology, please call the Neighbourhood House to make a booking or get in touch with MTHCS Community and Social Support.
