Volunteers welcomed back

Our dedicated volunteers have begun returning to their roles around MTHCS.

Our gardeners, community transport and Delivered Meals volunteers were keen to get back to supporting our community and we are very pleased and grateful to have them with us again.

A huge thank you also to MTHCS staff who have worked to fill the very large void left by our volunteers.

Volunteers coming into our facility are all double vaccinated, will be wearing the necessary personal protective equipment and have received good training to safely perform their roles.

Above: Our Ouyen volunteers including Joan and June from Delivered Meals happily returned to their roles last week.

New mental health service

MTHCS is excited to announce that HeadtoHelp mental health counselling is now regularly visiting Ouyen.

HeadtoHelp is a free service open to Victorians of any age who may be experiencing distress or mental ill health.

Sunraysia Community Health Services clinician Sara will be at Ouyen Neighbourhood House every Tuesday.

A walk-in clinic will run from 9.30am–12pm. Afternoon appointments are available by appointment only. Phone 5022 5444 and ask for HeadtoHelp.

Above: MTHCS celebrated Allied Health Assistant Day last week with our amazing team of AHAs.

All our AHAs work within a multidisciplinary team and assist allied health professionals such as physiotherapists, podiatrists, speech pathologists and occupational therapists.

Above: Di and Toni are two of the many MTHCS staff committed to caring for our community.

While the community is opening back up, please remember that health services still have limitations and we ask for patience and kindness towards our staff.
