Share your story

At MTHCS we care about our communities, so we have launched a new way for people to share their experience with our organisation. We are encouraging our clients/consumers to share their story about how MTHCS has cared for them on Care Opinion - a safe and independent way for community members to give us their feedback.

Care Opinion is an independent site where anyone can share their stories about their experience of care. The site covers health and aged care, and community services in Australia, giving service users, their families and carers the opportunity to publish their personal experiences, good or bad, of the care system. By encouraging people to share their experience with MTHCS, we will be able to recognise staff who are doing a fabulous job, better understand what people think of the services we provide, and use this information to help improve our services. You can share your story at www.careopinion.org.au

First responders needed

Ambulance Victoria is looking for community-minded First Responders in Patchewollock and Murrayville. You could make a difference in someone's life in an emergency.

To become a first responder, you need to:

Walking the talk

The team at Mallee Minors in Ouyen is busy raising funds and clocking up kilometres during March, as part of a challenge to walk 60 kms and raise money for the Ks for Kids charity.

It's all part of the 2022 fitness calendar devised by team member Tegan Bennett. After asking staff members how they wanted the annual plan to look, Tegan put together a display board with monthly fitness goals, healthy recipes and healthy living resources.

The March challenge is well underway and they have already beaten their fundraising goal of \$400, with the tally currently sitting at \$867.00.

A big shout out to Beverly Cummings who has raised \$585! Well done everyone!

Pictured above: Ouyen Men's Social Support is back on, with the latest meeting a chance to try out a new way of fishing! Limited hours are available at this stage. If you would like to join our social support groups please contact My Aged Care on 1800 200 422 or visit www.myagedcare.gov.au

Musical fun at Pattinson House

Children from Mallee Minors Ouyen enjoyed a special excursion last week, making their way across the road to visit Pattinson House Aged Care residents as the guest stars in an intergenerational music program (pictured below). The residents were waiting outside with great excitement as their little guests arrived. Led by Catherine, from Sunraysia Arts and Learning, the children put on a wonderful show - dancing, singing and playing instruments.
