4.	DEFINITIONS

Title: Delivery and Collection of Children Policy

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the [Glossary of Terms – Early Years](#).

Attendance record: Kept by the service to record details of each child attending the service including name, time of arrival and departure, signature of person delivering and collecting the child or of the Nominated Supervisor or educator (Regulation 158(1)).

Authorised nominee: (In relation to this policy) a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

- The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Duty of care: A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

Inappropriate person: A person who may pose a risk to the health, safety or wellbeing of any child attending the education and care service, or whose behaviour or state of mind make it inappropriate for him/her to be on the premises e.g. a person under the influence of drugs or alcohol (Act 171(3)).

Incident, Injury, Trauma and Illness Record: Contains details of any incident, injury, trauma or illness that occurs while the child is being educated and cared for by the service. Any incident, injury, trauma or illness must be recorded as soon as is practicable but not later than 24 hours after the occurrence. This also includes an incident in which a child appears to be missing, cannot be accounted for, is removed from the service in contravention of the regulations or is mistakenly locked in/out of the service premises. Details required include the:

- Name and age of the child.
- Circumstances leading to the incident, injury, trauma or illness (including any symptoms).
- Products or structures involved.
- Time and date.
- Details of action taken by the service including any medication administered, first aid provided or medical personnel contacted.
- Details of any witnesses.
- Names of any person the service notified or attempted to notify, and the time and date of this.
- Signature of the person making the entry, and time and date of this.

These details must be kept for the period of time specified in Regulation 183. A sample *Incident, Injury, Trauma and Illness Record* is available on the ACECQA website.

Medication record: Contains details for each child to whom medication is to be administered by the service. This includes the child's name, age, signed authorisation to administer medication and a record of the medication administered, including time and date last administered, time, date, dosage, manner of administration, name and signature of person administering the medication and of the person checking the medication if required (Regulation 92). A sample medication record is available on the ACECQA website.

Serious incident: A serious incident is defined in Regulation 12 as:

- The death of a child while being educated and cared for by the service.
