

**Aged & Healthcare services
assess my needs to find out what
treatment and services I need.**

Access

If you or a loved one have complex health issues or need aged care services, we can help you navigate the system.

Urgent Care Centre

Mallee Track can be the first port of call for advice and navigation.

Community Services

Talk to any Mallee Track staff member about the assistance you might need. We can assess your needs and recommend services and supports.

Virtual Care

Have your appointment with your GP or specialist over the phone or via the internet.

For more information you can contact us on (03) 5092 1111 or go to mthcs.com.au/contact/consumer-feedback

Aged Care

Mallee Track staff will help me stay connected to the things that are important to me.

Acute and Sub-Acute Hospital Care

Safe and appropriate care can be provided locally.

Mallee Track at Home

Receive help with personal care, getting to appointments or out and about, or accessing healthy meals.

Residential Aged Care

Enjoy support living in our Mallee Track facilities either for respite or permanently. Our staff will support you with end of life care.
